RE: Generator Donation

To the staff at Latmann Equipment,

Agur Lake Camp Society was formed many years ago to establish a barrier free wilderness camp for children and adults with special needs their families/caregivers could enjoy a camp experience. Thanks to hundreds of volunteers, donors, supporters, and great businesses as Latmann Equipment Ltd the dream has come true.

Your donation of generator parts, supplies and labour to Agur Lake Camp will ensure adults with special needs, their families/caregivers can enjoy peace of mind while they are staying at our Barrier free camp.

On behalf of the Board of Directors, volunteers members and guests at Agur Lake Camp Society we sincerely thank you for your generous donation.

It is with your support we can create lasting memories for those with special needs and help make healthy strong communities.

With Sincere thanks,

Beth Bonten
