

June 28 - 30, 2019

Mr. Les Morris
Business Development & Marketing Manager
Accede Energy Services
#12 Aspelund Industrial Park
Lacombe County
T4L 0E3

Dear Mr. Morris:

On behalf of the Tailcreek Mud and Music Festival, we would like to recognize and thank you for your valuable assistance with our recent event, held at Tailcreek Raceway by Alix, in June of this year.

We very much appreciate that you dedicated your time and effort to assist and organize the Equipment and Safety services for the event at a reduced rate. You may be interested to know that the overall Safety and well-being of our Patrons resulted in a very positive, proactive vibe at the event and was particularly recognized by both Alberta Health and the RCMP. We recognize also that the contribution of the Safety Trailers and Power Generation for the main Stage was key to the success of the event with the high level of talent that were performing on the stage.

We trust that you enjoyed working with Tailcreek for this year's Mud and Music Festival and we certainly look forward to your participation in next year's event.

Sincerely,

Jason R Jahner
President

Tailcreek Productions Inc.
