Dear Brett:

Re: Onoway Heritage Days Ball Tournament

On behalf of Onoway Minor Hockey, its Executive Board and players and families, I would like to extend our heartfelt appreciation to Latmann Equipment Ltd. for donating your light plant and generator for use at our concession during the recent Heritage Days Ball tournament.

For years this ball tournament was run by a different group of dedicated Onoway volunteers. When they stepped aside this year this event was in jeopardy of not happening. So a group of parents from Onoway Minor Hockey decided to try to pull this together, and I must say we had a lot to learn and big shoes to fill. In the end we successfully pulled the event off and managed to raise approximately \$8,500.00 for OMH.

To this regard, we must again say *"thank-you"* because if it wasn't for the good folks who donated their time and various equipment/materials this would not have happened. And a very special thanks to you Brett, you have no idea how smooth you made the operation of the concession go because of your light plant/generator.

On behalf of the players, families and Executive Board – *thank-you Brett Spreen and Latmann Equipment Ltd. for making this event a success!!!*

Yours truly,
