Dear Accede Management:

Thank you for your awesome donation to our Golf Tournament – it is greatly appreciated.

The Golf tournament was a success yet again. It truly is my favourite fundraiser that Central Alberta Youth Unlimited has annually. Next year perhaps Accede would consider becoming a hole sponsor of the tournament and come for a fantastic day of golf, all the while supporting essential youth programs that support young men and women in Central Alberta. That would be wonderful!

Thank you so much again.
