Dear Frank & George,

RE: Generators for the camp

Agur Lake Camp Society was formed many years ago to establish a barrier free wilderness camp where children and adults with special needs their families & caregivers could enjoy a camping experience. Thanks to the vision and generosity of volunteers, donors, supporters, and supportive businesses the dream has come true.

Your generosity with respect to the generators we purchased from you was very kind and we wouldn't have been able to obtain them otherwise. We are very happy to be able to offer 24/7 power at the camp now for our guests that require access to electricity wherever they go. This will go a long way to increasing our occupancy at the camp in the years to come.

On behalf of the Board of Directors, volunteers, members and guests at Agur Lake Camp Society we sincerely thank you for your assistance this summer and in years previously.

It is with your support we can create lasting memories for those with special needs and help make healthy strong communities.

With sincere thanks,

Beth & Maarten Bonten
President & Director, Agur Lake Camp Society

"Come camp with us.... A Place Like No Other"
Agur Lake Camp Society Mandate

"To operate and enhance our barrier free wilderness camp for children and adults with special needs and their families/caregivers."
